*Ai sensi del Capo III della LR 23/2018*

An aerial photograph showing a coastal landscape. A dense green forest covers the hillside on the left. A river or stream winds its way through the forest and into the ocean. On the right, a small town with several buildings is nestled among trees. The ocean is visible in the background with some small waves.

A map of the British Isles showing contour lines and a blue shaded area representing the British Isles region.

Figure 1. A map of the study area showing the location of the study sites. The study sites are located in the northern part of the study area, which is characterized by a high density of human settlements and agricultural activities.
